

Our Schoolworker, Abi, writes ---

Assemblies have gone well again this week. The Y Crew is going strong. The Nythe Y Crew was good but we only had 3 out of the 7 children come that were signed up. Please pray that today all the children signed up would come.

I would value your prayers this coming week for

- Assemblies to go well
- The Y Crew sessions at Liden and Nythe to go well, children to keep coming and that good relationships will be formed
- Planning the next set of assemblies and Harvest assemblies.

Pastoral Care in the Dorcan Church

The pastoral groups, which were originally set up several years ago, have recently been revised to include new leaders and members. Please consult the lists on the church notice boards to check the group you are in. Please note that some church members are to be 'covered' by one of our Cell Group Leaders. Please talk to Beth if you have any queries.

Prayer Initiative

For the next few weeks we will be praying for the residents of Lovell Close, Fitzmaurice Close and Foxbridge. Please also remember them in your private prayers.

Treatment of St. Paul's Church Floor - Appeal for Volunteers

Following the recent appeal in the Notice Sheet, and during the services last Sunday, we would still be grateful for any additional volunteers. The 3 times when help is particularly required are as follows:-

Sunday 24th October - to clear the church (from 6pm on)

Monday 25th October - the first 2 stripping treatments
(early start if possible)

Wednesday 27th October - to put the church back together !!

The actual time when we shall be putting furniture back into the church is not yet defined. If people would be willing to be contacted by phone during that week, to check if they are available, we would be most grateful to hear from them.

Thank you. John (861657) and Tony (520734)
