<p>Summer services at St. Paul's We want to find a pattern that will suit most of our worshippers. For the past few years during the summer months at St. Paul's we have held a single combined Sunday morning service. This year we will be holding the combined service at 10.00am but only during the school holidays. For June and most of July we will continue with the normal pattern of 8.45am and 10.30am services. Then on 25th July, we change to the single 10.00am service for six weeks. In September we return to the normal separate services.</p>		
<p>Prayer Initiative For the next few weeks we will be praying for the residents of Merlin Way and Peregrine Close. Please also remember them in your private prayers.</p>
